- Spacious - 20' "High Cube" Container (external dimensions 6058L x 2438W x 2896H)
- Secure - Dual opening end doors with 4 lock rods and padlock box, preventing access with bolt cutters
- High security steel side access door, opening only from inside
- 2.3 metre wide servery with high strength security shutter complete with gas strut and safety stay
- Durable - Heavy duty Marine grade 28mm thick ply floor (raw finish)
- Practical - Internal rear wall with welded steel "Tie" bars, giving maximum flexibility for merchandising displays and allowing equipment to be tied down during transit
- 50mm thick EPS cold room panel ceiling (white finish)
- U-Shaped roll form kitchen bench top with open space underneath allows for flexible storage solutions
- Single sink and drainer with cabinets underneath
- Stylish Flick mixer tap (cold water only)
- 6 energy efficient dimmable LED downlights
- 3 power outlets
- 1 light switch with dimmer control
- 1 smoke detector
- 15 amp "Plug + Play" power connection point
- Electrical distribution board complete with overcurrent and residual current protection on each circuit for maximum safety (Maximum load is 15 Amps)
- Flexible - Choice of colours available to reflect your brand personality
- Readily adaptable to your own business needs

## CUSTOMISATION OPTIONS - (ADDITIONAL COST APPLIES)

Royal Wolf's 20ft Pop Up Container Stores can be provisioned with a wide range of options including:

- Air Conditioned - 3.4Kw reverse cycle split system air conditioner\*\*, recessed flush into the container side wall for ease of transportation (recommended if you are running refrigeration to reduce possible overheating when the café is locked up).
- Ceiling fan (white finish, metal blades)
- Water - 25ltr hot water system\*
- Instantaneous hot water boiler\*
- Additional hand washing basin with flick mixer
- Lighting - 2 x Pendant lights mounted over bench return
- Power - 15 amp outlet
- Features & Finishes - Foundation tie down plates (Set of 4)
- Internal walls lined with 50mm thick EPS cold room panels (excludes back of doors)
- Heavy Duty commercial R10 safety vinyl flooring, complete with 100mm coving on walls for ease of cleaning (only available when walls are lined)
- Exclusions - Cranage, building approvals, connection to services and any other site works are not provided by Royal Wolf unless noted specifically as inclusions.

\*\*Electrical connection to the cafe using 15 amp "Plug + Play" inlet not available with these options.

## \*\*\*COMPLIES WITH:

\*\*\*Excludes building code compliance assessment statement (Required for permanent installations)

\*Base model price EX Brisbane as at 8.03.2017.

\*Prices may be changed at any time without further notice.

## PRACTICAL CONSIDERATIONS

The 20ft Pop Up Container Store is designed as a temporary building and near new shipping containers that have been modified.

For permanent installations, consulting with a building certifier is recommended. Development approvals are based on many variables and are specific to locations, uses and many other factors.

We further recommend you consult your local authority to discuss your intended use as Food Safety Regulations may vary between locations.

If you have any questions at all, please give us a call. We're happy to help in any way we can!
