YOU CAN DO ANYTHING IN A ROYAL WOLF

MORE STYLE • MORE VALUE!

INNOVATIVE, PORTABLE & FLEXIBLE

The Royal Wolf Outdoor Room has been creatively designed with wide glass sliding doors to open up the room to the fresh outdoors. Perfect for showcasing your merchandise or servicing your customers.

With a contemporary modern design, the Outdoor Room is inviting and stylish. It offers ample power, atmospheric lighting, timber look flooring, quality insulation, reverse-cycle air-conditioning and more. Importantly, it also includes external bi-folding high strength steel security doors that close over the glass sliding doors to provide virtually impenetrable security.

Robust, durable and easy to transport to even remote locations, the Outdoor Room is the ideal solution for temporary space for your business, home or event.

PRACTICAL CONSIDERATIONS

The Royal Wolf Outdoor Room is designed as a temporary building and are near new shipping containers that have been modified.

For permanent installations, consulting with a building certifier is recommended. Development approvals are based on many variables and are specific to locations, uses and many other factors.

We further recommend you consult your local authority to discuss your intended use as Food Safety Regulations may vary between locations.

If you have any questions at all, please give us a call. We're happy to help in any way we can!
